Real Estate Licenses; Cancellation

The Real Estate Licenses; Cancellation house bill permits the Arizona Department of Real Estate to cancel a person's license, at the individual's request; regardless of whether the license status is active or not.

SIGNED BY THE GOVERNOR.

What This Victory Means for You...

Prior to this legislation, the Arizona Department of Real Estate did not have the ability to cancel an inactive real estate license and the individual would have to jump through the hoops of re-activating in order to have their license cancelled.
