**HB2500**

## Real Estate Signs; Cities; Counties

*Establishes regulations for real estate signs displayed by an owner of a real property or the owner's agent in cities, towns or counties.*

**HELD IN THE SENATE.**

### What This Victory Means for You...

Would have prohibited a city, town or country from regulating real estate signage. The bill would have permitted a city, town or county to establish time, place and manner restrictions as well as health, safety and welfare restrictions.
