

HB2108

Real Estate Signs; Cities; Counties

Establishes regulations for real estate signs displayed by an owner of real property or the owner's agent in cities, towns and counties. *FAILED TO ADVANCE IN THE HOUSE*

What This Would Have Meant for You...

Would have prohibited cities, towns and counties from regulating real estate signage while allowing them to establish time, place and manner restrictions as well as health, safety and welfare restrictions.

*** Failed to advance through the legislative process. ***
