

Efforts specific to the **COVID-19** **Pandemic** and **Executive Orders**

Since the beginning of the COVID-19 pandemic, the Arizona REALTORS® fought tirelessly against abusive and over-reaching executive orders to protect REALTORS® ability to do business, preserve private property rights and get assistance to those in need.

What This Victory Means for You...

- “Essential Service” designation for Real Estate professions, including consumer lenders, title and appraisal offices.
- Continuity of work solutions to allow for remote and streamed CE solutions.
- Leading the early implementation and authorized use of Remote On-line Notary (RON).
- A voice at the table fighting for the rights of property owners and landlords.
- Fighting to properly fund tenant assistance programs to help those in need.
- Fought to establish and fund the \$5M Rental Property Owner Preservation Fund (RPOPF) to assist property owners in need.
